

# WORKSHOP ON TCAD & NANO TECHNOLOGY

The BVCOE IEEE SSCS Student subcommittee organized a One day Workshop on "TCAD & Nano Technology "on 20th March 2015 at Bhartiya Vidyapeeth College of Engineering, New Delhi. Two students Akshit Jaggi and Aditya Chhilar , from VI Semester of Department of Information Technology, attended the workshop. This workshop introduced to process and device simulation using the Crosslight TCAD tools. It also provided introduction to Nano device simulation based on Density functional theory.
