

## NetAcad Partner Summit 2016

The NetAcad Partner Summit 2016 was organized by CISCO from 5th April 2016 to 8th April 2016 at the Le Meridien Chiang Mai, Thailand. Amitesh Kumar, Assistant Professor, Information Technology Department represented Dronacharya College of Engineering in this conference. This helps in bringing partners around the world together to celebrate our success and plan our future strategy. It's invitation only, and offers opportunities for executive networking, strategy discussions, technology updates, and business leadership development.
