Two Weeks Faculty Development Program
On
"Emerging Trends in Computer Science & IT"

*Two weeks faculty development program was organized by Bharati Vidyapeeth's Institute of Computer Applications and Management (BVICAM) from 16 May 2016 to 27 May 2016.***Ms. Ashu Khurana***, Assistant professor, Department of Computer Science & Engineering, attended the Faculty Development Program. This session was taken by various dignitaries along with Prof. Vishal Jain, BVICAM, in which he explained about the feature extraction that In machine learning, pattern recognition and in image processing, feature extraction starts from an initial set of measured data and builds derived values (features) intended to be informative and non-redundant, facilitating the subsequent learning and generalization steps.*

Dr. Anup Girdhar, CEO, Sedulity Solutions and Technologies during the session

Ms. Ashu Khurana, Assistant Professor, CSE with all the participant of faculty development Program
