Workshop on "CISCO Networking"

Computer Society of India (CSI) Student Chapter of DCE Gurgaon organized a workshop on "CISCO Networking" on 30th September 2016. The speaker for the lecture was Mr. Baljot Singh (Training Specialist) from Network Bulls Gurgaon, premier Institute for Networking. Twenty two students from CSE Department attended the workshop. The workshop was extremely interesting and the students learned basics of networking, Ipv4, IPv6 and command line modes. Student understood the scope and career options in the field of networking.
