

TALK BY DR. JAY GIRI

IEEE Communications Society (ComSoc), Delhi Chapter organized a "Talk by Dr. Jay Giri", on 17 September 2014 at NLDC. Two students Vishal Sharma (14126), and Nishant Narula (14123) attended the event. The main focus of lecture was to highlight the EMS (Energy Management System) history and its evolution. It was a scholarly experience for all the attendees giving them the opportunity to gain a lot of knowledge on the topic.
