

IBM CLOUD INNOVATION

IBM Cloud Innovation Forum organized an event on 21 August 2014 at The Leela Ambience Hotel, Gurgaon to discuss the idea “Cloud as a growth engine for business” and cloud solutions offered by IBM (International Business Machine). Assistant Professor Mr. Niraj Kumar, Asst, Professor, represented Dronacharya College of Engineering, Gurgaon. The focus of the event was on “how cloud is changing the way work is done ... and how it is delivered” and cloud solutions that IBM is providing for their clients.
