

WATER RISK AND WATER STEWARDSHIP

FICCI organised a two-day seminar on Water Risk and Water Stewardship from 20 – 21 August 2014 at FICCI Federation House, New Delhi. Four students Tapodhan Singla(14107), Rahul Rapariya(14073), Sumeet Singh(14101) and Varun Vashishtha (14112) represented Dronacharya College of Engineering during the seminar. The seminar explored the strategies, which should be developed for a sustainable use of water across sectors. It aimed to highlight diverse perspectives of industry, CSOs, international organizations and State government
