From Editor's Desk :

The desire of knowledge, like the thirst for riches, increases ever with the acquisition of it.

–Laurence Sterne

Dronacharya College of Engineering, Gurgaon has been established with an objective to augment sustainability and technology for fabricating technocrats and entrepreneurs who are global leaders in their industry. As a regional hub of cutting-edge creativity and innovation, **DCE, Gurgaon** flourishes the technical knowledge around the globe.

To cope with the increasing demand of Techno- world, **Dronacharya College of Engineering, Gurgaon** has been in the forefront to provide quality education. The scope was enlarged to assist the engineering aspirants in becoming self-employed, as we foster our students with a sense of accountability, integrity, sincerity and dignity. We are playing even a greater role in building a technological nexus with MNC's for 100% placement.

The present issue, like a mirror reflects the clear picture of all sorts of activities undertaken by the institution, faculty & students in particular. We are happy to have been involved in laying the groundwork and our endeavour is to make this Newsletter a source of information and a means of deepening, widening and heightening the activities performed by our Dronacharyans.

Editor, (Dr. Sunil Mishra)

From HOD's Desk :

"Live your beliefs and you can turn the world around." -Henry David Thoreau

The **Department of Applied Sciences & Humanities** at **Dronacharya College of Engineering, Gurgaon** believes in empowering today's learners to become the leaders of tomorrow. We don't leave any stone unturned in making our students embark their journey of discovery, developing their own abilities, skills and self-belief to succeed as globally renowned professionals.

Today, **Dronacharya College of Engineering, Gurgaon** has become a dream destination for engineering aspirants. The present society is knowledge-based, where talent is the most important asset for any young engineer and our vital aim is to groom Dronacharyans in a way that could help them touch the pinnacle of perfection.

Certainly I've had plenty to say: **DCE** continues to grow, but the physical transformation of the campus is nothing short of astonishing. More interesting by far, however, is what's going on inside all those brick buildings. Believing in the dictum **to know is to feel and to feel is to hit upon the realization to outgrow and out shine**, our faculty members have put forth unflinching efforts to come out with exceptional work in academics and research.

A favorable and productive student-teacher relationship ensures to mould our students into valuable individuals with technical and professional competence of the highest degree. Our Department offers a plethora of opportunities to students for their holistic development, where, in addition to the regular courses; **extra-curricular and value-added activities** like attending National/ International Conferences/Symposium/Seminars/Workshops provides an exposure to the blooming buddies. Special emphasis is laid for enhancing communication skills and in the same sequence online-certifications, **International Test for English Proficiency (iTEP) of H.Q. USA** etc is conducted.

We pride ourselves in having **enormous number of meritorious students** who have kept the D.C.E. flag flying high by excelling in studies. We are committed to explore all possibilities for the best educational environment in future as well and hope that our students will come up to the expectations of society with an excellence in technical field.

Head of Department, Prof. (Dr.) Sri Krishan Yadav

Events :

Paper presentation on the National Conference at MD University Rohtak :

Dr. Jyoti Anand, Assistant Professor from **Applied Sciences & Humanities Department, Dronacharya College of Engineering, Gurgaon** presented a paper entitled "**Cost-Benefit Analysis of a Computer System with Arbitrary Distributions for H/W Failure and S/W Up-Gradation Subject to Inspection**" in a three-day **National Conference on Recent Trend and Developments in Statistics (NCRTDS)** with 1st Convention of Indian Association for Reliability and Statistics (IARS) during 21-23 February 2015. The conference was organized by Department of Statistics, M.D. University, Rohtak with an objective to provide an exceptional platform to the researchers to meet and discuss the out most solutions, scientific results and, methods in solving intriguing problems with people actively involved in these evergreen fields.

The conference was supported by M.D. University , Rohtak; Department of Science and Technology (DST) , Govt. of India, New Delhi; Ministry of Statistics and program Implementation (MOSPI); Deference Research and Department Organization (DRDO), Delhi; University Grants Commission (UGC), New Delhi; Indian Association for Reliability and Statistics (IARS) and Indian Council of Medical Research (ICMR), New Delhi.

Dr. Jyoti Anand from DCE, Gurgaon with the experts and delegates during the conference

National Seminar On Gender Discrimination in India :

Ms. Rita Yadav, the Program Officer of NSS and the NSS Volunteer **Shweta Popli (Roll No 16154)** from **Dronacharya College of Engineering, Gurgaon** attended National Seminar on **Gender Discrimination in India** organized by the NSS Unit of **Maharshi Dayanand University, Rohtak Haryana** on 21st March 2015. They jointly presented a paper titled "**Still gender Discrimination in India**" in the seminar.

The key-note speaker, **Prof. Rumki Basu from Jamia Millia Islamia, New Delhi** also expressed her views on women empowerment. Another eminent speaker **Prof. Aftab Ahmed from Aligarh Muslim University, Aligarh** delivered a lecture highlighting the role of women in making India a developed Nation.

This seminar was supervised by the Program Coordinator (NSS), **Dr. Ranbir Gulia** and anchored by **Dr. Jagbir Narwal**. Inaugurating the seminar **Er. H.S Chahal, Hon'ble Vice-Chancellor M.D.U. Rohtak** talked about factors responsible for common welfare of woman in the present era. It was followed by a speech by **Prof. N.S Chahal**, MDU Rohtak. He shared a detailed status on the data related to sex discrimination and the report on the documented evidences. The seminar concluded with a vote of thanks **Ms. Anjana Garg, Professor, M D University Rohtak**.

NSS adventure camp at Abvimas, Manali(H.P.) :

A group of **NSS volunteers** (**Parveen Rohilla Roll No.15073 ; Shweta Popli Roll No.16154 ; Diksha Choudhary Roll No.15467; Sagar Langyan Roll No.15512; Pawan Mehta Roll No.16702; Deepak Kumar Roll No.15160; Arfa Roll No. 15147; Rahul Kumar Roll No.16793; Varsha Singh Roll No. 16878; Rekha Rani from IT dept.**) along with **NSS Program Officer Mr. Ashok Kumar from Dronacharya College of Engineering, Farrukhnagar, Gurgaon** attended a **ten day Adventure Camp** organized and sponsored by **Ministry Of Youth Affairs & Sports, NSS Regional Centre New Delhi**. The camp was held from **23th February to 4th March 2015** at **Atal Bihari Vajpayee Institute of Mountaineering and Allied Sports Manali (ABVIMAS), Himachal Pradesh**.

The objective of this camp was to undertake adventurous activities like trekking, mountaineering, white water rafting, para-sailing, para-gliding and basic skiing for the NSS volunteers.

There were 30 NSS volunteers from different universities of Haryana **Kurukshetra University, Dronacharya College of Engineering, Gurgaon (representative college of M.D. University, Rohtak)** and **Hisar Agriculture**

Seven day NSS Special Camp on Swach Bharat Swasth Bharat :

NSS Unit of **Dronacharya College of Engineering, Gurgaon** organised a seven-day camp from **25th to 31st March 2015** with an objective to aware people of adopted village (Patali) on the theme "**Swachha Bharat Swasth Bharat**".

Inaugurating the camp, **Hon'ble Principal Prof. (Dr.) B. M. K. Prasad** stated that the college would encourage the volunteers through providing all possible help in the service of mankind. He reiterated that the commitment of the college fraternity on taking up social problems as a challenge. He shared that the college has opportunity to have the maximum number of volunteers in the field of social and national services. The camp concluded with a vote of thanks by **Mrs. Rita Yadav, the Program Officer (NSS unit)**. She expressed her heart-felt gratitude to the **Hon'ble Principal, Academic Administrator, HoD, Applied Sciences & Humanities Department Prof. (Dr.) Sri Krishan Yadav, all HOD's and faculty members** for all support and cooperation. She also thanked the volunteers for their active participation.

National Level Workshop cum Championship :

A three-day workshop on **STADD PRO V8i** was organized at Civil Engineering, Department of **Dronacharya College of Engineering, Gurgaon** by Robo Edutech India Pvt. Ltd. in association with Wissenaire Indian Institute of Technology Bhubaneswar from **17th - 19th March 2015**. During the workshop two experts Mr. Pradeep and Mr. Ashish from Robo Edutech India Pvt. Ltd. taught the procedure of generation of loads and load combination for trusses, slabs, beams, columns, portal frames and multi-storey framed structure.

At the end of the workshop a test was conducted by **Robo Edutech India Pvt. Ltd.** It is also worthwhile to mention that ten students **Shubham (16733), Ashish (15972), Nitin (16698), Prateek Singh Patel (16572), Satyender Kumar (16727), Anurag Sejwal (16652), Vishwajeet Kumar (16754), Aditya Jatiwal (16642), Shanshank Shekhar (16730), Amit Kumar (16646)** have qualified for the final round at IIT Bhubneshwar.

Paper Presentation in International Conference :

Mr. Ravi Dutt, Assistant Professor, Department of Civil Engineering, **Dronacharya College of Engineering, Gurgaon** presented a paper titled **"Role of Microfinance in Attaining Financial Inclusion & Women Empowerment: An Overview"** in the International Conference on Microfinance and Micro entrepreneurship: A Paradigm shift for skill Development." on 28th Feb 2015. The conference was a joint effort of Department of Economics, Bhagat Phool Singh Mahila Vishwavidyalaya (BPSMV) Sonapat, India (First State Women University in North India) and Banque Populaire Chair in Microfinance of the Burgundy School of Business, France.

During his presentation Mr. Dutt highlighted how to evolve strategies for eradicating poverty, strengthening growth, attaining financial Inclusion & women empowerment through microfinance. The Conference also served as a forum to discuss and to integrate the recent skill development programme initiated by Government of India with the development of micro entrepreneurs and micro financing.

Industrial Visit to HUAWEI Network Academy :

Forty five Students of IV & VI Semester from **EEE Department** of **Dronacharya College of Engineering, Gurgaon** accompanied by two faculty members, **Mr. Mahiapl Bhukya (Assistant Prof)** and **Ms. Charu Jain (Assistant Prof)** attended Industrial visit to Huawei Network Academy, Unitech Cyber Park, Gurgaon on **16th March 2015**.

An expert Mr. Manish Goyal from Huawei Centre,Gurgaon introduced the company profile and the importance of Internet Communications Technology in the industry. During the sessions, the students learnt various concepts and applications related to **2G, 3G, 4G** software, **Wireless, transmission, Cloud Computing, Core Network etc.**

The students got motivated and come up with innovative and industry oriented projects on Internet communication Technology (ICT).

The Faculty and students of Dronacharya College of Engineering, Gurgaon at Huawei, Gurgaon

Paper Presentation in the National Seminar :

Dr. Sunil Mishra, Associate Professor from Applied Sciences and Humanities of **Dronacharya College of Engineering, Gurgaon** presented a paper entitled "Modernizing Higher Education with Soft Skills" in **the NAAC Sponsored National Seminar on Teaching, Learning and Evaluation at Aggarwal College Ballabgarh, Faridabad** 13-14 March 2015. During the same seminar three **Dronacharyans Sachin Vats(17231), Ashish Mishra(17349) and Hariom (17374)** presented their papers entitled "Role of E-learning in Higher Education" and "Importance of communication skills for Engineers" .

Students of DCE, Gurgaon presenting their paper

Paper presentation by Dr. Sunil Mishra

International Conference on ICRTESM :

The students of First Year **Amit Mittal (17863)**, **Sandeep Kundu (17870)** and **Nishi Parmar (17541)** presented a research paper titled **ENCODING, MANIPULATION AND RETRIEVAL OF TECHNICAL INFORMATION AT A MACROMOLECULAR LEVEL** and another paper titled **MANET: SELF-ORGANISATION & DISTRIBUTED** was presented by another group of first year students named **Aishwarya Aggarwal(17008)**, **Agam Niket(17007)**, and **Akshay Dinesh.P(17011)** in the **International Conference On Recent Trends In Engineering Science And Management (ICRITESM) on 15 March 2015 at Jawaharlal Nehru University-New Delhi**.

Paper presentation by the students of Dronacharya College of Engineering,Gurgaon

Paper Presentation in the IEEE Conference :

Three students **Ashish Singh (17034)**, **Astha Gaur(17031)**, **Akash Giri (17034)** of First year CSE branch presented a research paper titled **"Study of antennas in C band for Satellite communication"** in an **IEEE NATIONAL CONFERENCE "RECENT TRENDS IN COMMUNICATION AND TECHNOLOGY (RTCT-2015)" held at PDM College of Engineering, Bahadurgarh on March 27, 2015**.

Another paper titled **"Wireless Charging Of Mobile Phones Using Microwaves"** was also been presented by First year students of IT and EEE named **Amit Mittal (17831)**, **Priyanka Royand (17547)** **Kajal Lohia(17533)** in the conference.

Students of DCE,Gurgaon with their certificates of paper presentation

Paper Presentation in the International Colloquium :

Two faculty members **Dr. Sunil Mishra and Dr. Parul Mishra**, from Applied Sciences & Humanities Department of **Dronacharya College of Engineering, Gurgaon** presented their papers entitled **"ICT and Soft Skills: Relevance in Education English Language"** and **"Inter-cultural Communication"** respectively in the International Colloquium at India International Centre, Lodhi Road, New Delhi on 15 March 2015.

In the same colloquium four students Aayushi Nayar(17762), Timsy Bhatia (17565), Rishabh S. Rana(17554), Charandeep Singh and Arushi Dogra (17516) from Applied Sciences and Humanities Department of **Dronacharya College of Engineering, Gurgaon** presented their papers entitled " Role of Communication Skills for Engineers", "Role of internet in learning English Language", "Language: a barrier in cross-cultural communication" and "E-learning".

Students with Mr. Amit Bansal and Mr. Sarabpreet

Tech - Marathon 2015 :

Four students from **Computer Science & Engineering Department, DCE Gurgaon** **Nishant Pundir (15065), Vivek Teotia (15118), Sachin Malik (15085), Saksham Wason (15093)** attended Tech Marathon, an annual fest of *Deen Dayal Upadhyay College of Delhi University* from 25-26 February 2015. There were several technical events which took place during the fest such as Battle of bytes, Eureka, Conundrum, Zero-G, Robotron, Snake Jam, Junkyard, Ad-Mad, AlgOwls, C-benders etc. . The events in which students participated are Battle of Bytes, Junkyard, Conundrum, Eureka.

**CSE students with certificate of clearing
Battle Of Bytes.**

**CSE students with certificate of 1'st
Round Junkyard.**

Techno - Kshetra 2015 :

19 students of Computer Science & Engineering Department of **Dronacharya College of Engineering, Gurgaon** under the coordination of **Mr. Tanupriya Choudhury**, Asst. Professor, CSE Department attended GVKS Techno-kshetra organised by Lingaya's University, Faridabad. They also participated in Tech-Quiz, Paper Presentation, Code-Debugger, Core-Writing, LAN Gamming, Crazy Minds, Technical Role Play, Group Discussion, AppBells. During the fest they also availed an opportunity to attend a workshop on App Testing, 3D with Blender, CAD Workshop, Catia Workshop, Software Testing etc.

Winners of Technical Role Play

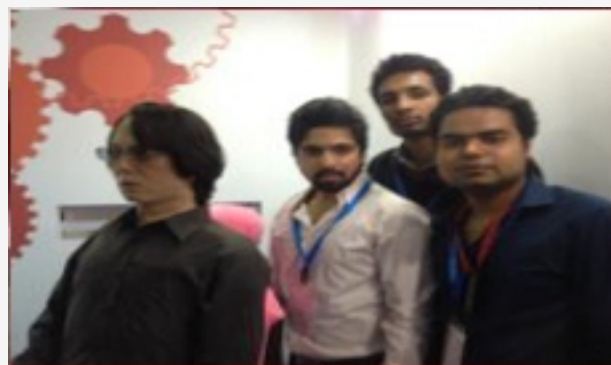

**Winners of AppBell Entrepreneurship
Event**

21st International Engineering and Technology Fair(IETF 2015) :

Twelve students from CSE Department from **Dronacharya College of Engineering** attended the 21st IETF 2015 (INTERNATIONAL ENGINEERING & TECHNOLOGY FAIR) organized by CII (Confederation of Indian Industry) from **26-28 February 2015** at Pragati Maidan, New Delhi.

Pearson's Buisness Conference on "International Alliance Partnership For Indian Institutions" :

On 28th February 2015, **Ms. Sarita**, Assistant Professor, CSE Department along with **Mrs. Megha Goel**, Associate Professor of IT department of **Dronacharya College of Engineering, Gurgaon** attended a Pearson's Business Conference on **"International Alliance Partnerships for Indian Institutions"** held at The Royal Plaza Hotel, New Delhi. This conference was to explore opportunities to partner with Pearson and its affiliates. A partnership, which enables institutions, recruits students from different geographical areas and provides global exposure to existing students through international progressions.

Speaker addressing about Integrated MBA programme

Higher Education Technology Conference 2015 :

With the aim to connect the early adopters of technology and 21st century education initiatives to experienced leaders and practitioners, Higher Education Technology Conference 2015 was organized by EdTech Review at The Leela, Gurgaon on 28th February 2015. **Mr. Amar Saraswat** from CSE Department represented **Dronacharya College of Engineering, Gurgaon** in this conference.

Mr. Utkarsh Lokesh felicitating Mr. Shekhar Sanyal

Mr. Amar Saraswat with Navin Pathak, VP Business Development with Progia LLC

Seminar on Vancouver Institute of Media Arts :

On 28 February 2015 Saurabh Setia (15097) from CSE Department of **Dronacharya College of Engineering, Gurgaon** attended seminar on VanArts (VANCOUVER INSTITUTE OF MEDIA ARTS), organized by Mr. Shane Moore, Join Director of VanArts at The EROS Hotel, Nehru Place, New Delhi.

Student of DCE, Gurgaon with Join Director of of Van Arts

Workshop On GP Ka Funda :

Eight Computer Science & Engineering Students from **Dronacharya College of Engineering, Gurgaon** attended a workshop on "GPkaFunda" was organized by Mr. GautamPur, known as the "aptitude guru", co-founder of Career Launcher on **March 1st, 2015** in Delhi Public School, Sushantlok, Gurgaon.

Students in the seminar hall attending the session

Industrial Visit to SIFS India :

An Industrial Visit to Sherlock Institute of Forensic Science (SIFS) INDIA, New Delhi was organised by Department of Computer Science & Engineering, **Dronacharya College of Engineering, Gurgaon** on **3rd March 2015**. Twenty students from IV and VI semester accompanied by **Mr. Amar Saraswat**, Assistant Professor, CSE Department went for the visit. SIFS INDIA is a leading independent private forensic science lab, registered with Government of India (MCA, Govt. of India) which provides various types of forensic services. The aim of this industrial visit was to enable students to learn about image processing techniques, and Cyber Forensics. **Mr. Ranjeet Singh** discussed about the various career options related to image processing and cyber forensics. He motivated the students to start their research work in the field of image processing and the major application areas related to it. The visit proved to be very fruitful as the students learned a lot about tools used in image processing, mobile forensic investigation, voice identification. During the practical sessions, the students enthusiastically interacted with demonstrator and got their

Mr. Ranjeet Singh explaining about finger prints

Blitzkreigh 2015 Technical Fest :

BLITZKRIG, an annual fest was organized at Keshav Mahavidyalaya on **10th March 2015** at New Delhi. Five students, namely **Sagar Rajput (15087)**, **Sandeep Giri (15095)**, **Akash Goyal (15119)**, **Saksham Wason (15093)**, and **Surender Rawal(15105)** from CSE Department of **Dronacharya College of Engineering, Gurgaon** attended the fest. Students participated in various events such as CodeSlayer, Dark Knight. - The Dark Coding Event, L.O.S.T. (Land of Secret Treasures), Oblivion - LAN Gaming, Quizonia - I.T. Quiz, Spex Prix - Spec Wars. Dark Knight was a unique programming competition in which the student wrote C and C++ Codes for a problem without using the monitor screen to judge student's concentration, accuracy, programming skills.

Entrepreneurship Education Conclave :

National Entrepreneurship Network (NEN) in partnership with, Ministry of Skills Development, Entrepreneurship, British Council, Intel and EDI-Gujrat organised a Entrepreneurship Education Conclave on **11th-12th March 2015** in Indian Habitat Center, New Delhi.

Mr. Vishal Bharti, Head of Department, Computer Science & Engineering, along with **Mr. Tanupriya Choudhary**, Assistant Professor, represented **Dronacharya College of Engineering, Gurgaon** in the conclave. The conclave featured leaders in academia across India including top entrepreneurship educators & policy makers, practicing mentors, incubator heads, entrepreneurs, officials from the Ministry of Skills Development, Entrepreneurship, Youth Affairs and Sports, DST (Department of Science and technology), MSME (Ministry of Micro Small and Medium Enterprises), Vice-Chancellors, Directors and Deans from institutes in order to engage them in a dialogue on entrepreneurship development.

Mr. Vishal Bharti, HOD CSE, with Mr. T. P. N. Singh, R&D Advisor, DGI, Noida and Mr. Rajiv Dudi, NEN Consultant, NCR Region

Panel Discussion in Progress

Industrial Visit to Mother Dairy Plant:

The department of Computer Science & Engineering of **Dronacharya College of Engineering, Gurgaon** organized an Industrial Visit at **Mother Dairy Plant, New Delhi** on **11th March, 2015**.

Sixty Seven students from IV and VI semester accompanied by **Mr. Tanupriya Choudhury**, Assistant Professor, CSE Department, attended the industrial visit. Suitability of various milk variants to the different segment of the society on the basis of their age and work life style was also informed.

Students during the lecture session

Students along with Mr. Tanupriya Choudhary and Mr. Ashok Verma during the visit

SANGTRAASH- A technical Fest:

SANGTARAASH, an annual fest was organized at Shyama Prasad Mukherjee College, Delhi University on **12th and 13th March 2015**. **Karan Bhalla (15042)**, from **CSE Department of Dronacharya College of Engineering, Gurgaon** participated in Project Presentation, in which he gave presentation about his project **"Doctor Online"** and **got 1st Prize and Cash Prize worth Rs. 2000/- along with a book on Automata by C.K Nagpal**. The project was about online medical support in case of an emergency when we can't go to the hospital.

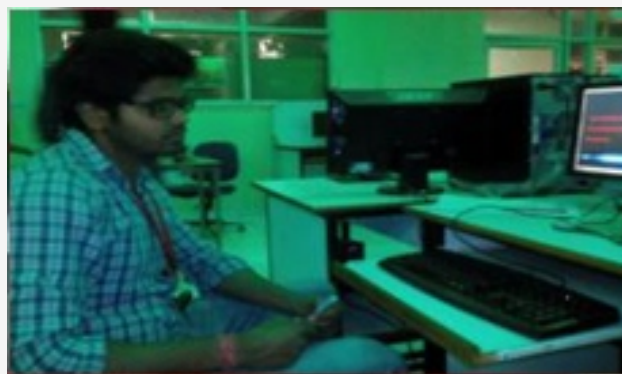

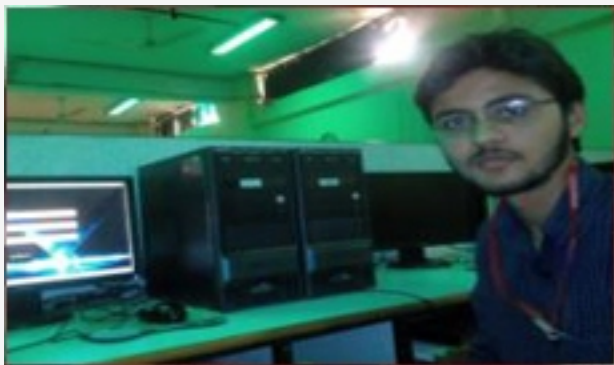

Karan Bhalla (15042), participating in competition

Winners receiving prizes from principal

AVENSIS: Technical Fest :

Three students **Piyush Kumar (15069)**, **Saksham Wason (15093)**, **Kumar Gaurav (15051)** from CSE Department of **Dronacharya College of Engineering, Gurgaon** attended AVENSIS, an Annual Techno-Cultural festival organized at Maharaja Surajmal Institute Of Technology, New Delhi on **12th March 2015**. The various events held during Tech Fest were C++ Sleepless, Encoded Beans.SeQueL.Android Gaming, Techvilla Brain, StormCode Mania, ROBOTICS, Carnage Line Follower, (LFR), Hydrobot Robo Maze Robo Rugby, Junkyard Wars, Robowars. Sleepless c++ was a unique programming competition students have to write the program in C++ language without monitor screen to test student's concentration, accuracy, programming skills. Techvilla was an I.T. based quiz to test students' knowledge of the I.T. World.

CSE Students participating in Webcomp Event

ENVISAGE-15: Annual Fest :

19 students of Computer Science & Engineering Department attended ENVISAGE, an annual fest organised by Institute Of Informatics & Communications Department of Delhi University on **14th -15th March 2015**.

They witnessed several technical as well as non-technical events such as Co-Dennis, X-Quiz IT, Make Break, Weave an APP, LanStrom, Script Maestro, Haze Maze, Sets & Steps, The White Collar, Ad- Mad, Turncoat, Ostentatio, 3R's, Face off, Artefact etc.

Students of CSE Department at Venue

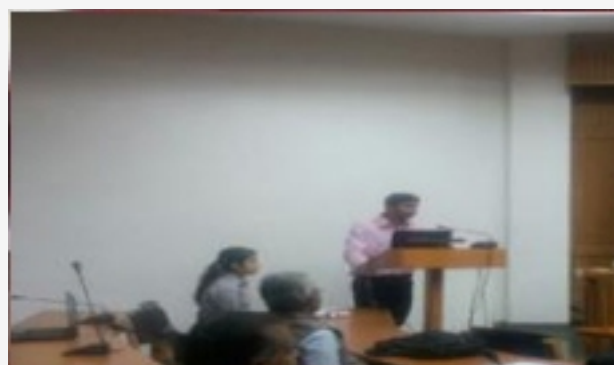

Paper Presentation In International Conference :

A conference on "International Research symposium on Recent Strategy for Development and Information Technology", was organized by International Association of Academicians and Researchers (INAAR) and Confederation of Indian Universities (CUI) was held at India International Centre, Lodhi Road, New Delhi on **15th March 2015**.

CSE student, **Prakhar Sethi (16115)** presented his research paper entitled "Reading and Understanding for professionals through E-Learning" during the conference. The conference included plenary sessions, debates, panel-discussion, symposiums, colloquium, workshops, assessments, technical and paper reading sessions.

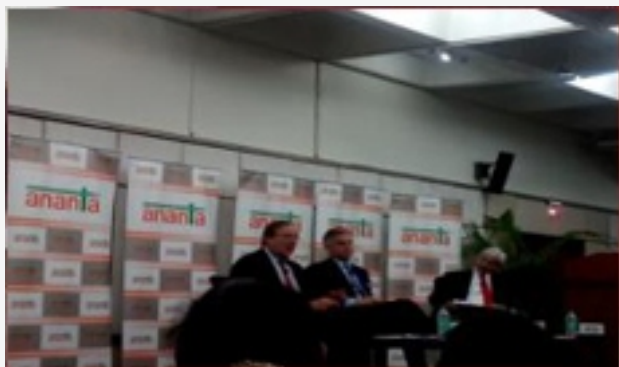

Session Head during the inauguration

Prakhar Sethi during his presentation

India and the emerging World order :

On **16th March 2015**, **Mr. Amar Saraswat, Mrs. Renu and Ms. Pankti Brar** of CSE Department of **Dronacharya College of Engineering, Gurgaon** attended a session on "India and the Emerging World order" organized by Ananta Aspen Centre at WWF India Auditorium , Lodhi Estate ,New Delhi.

Panel Discussion in progress

Mrs. Renu and Ms. Pankti Brar at Venue

Student's Views :

I feel to be associated with **Dronacharya College of Engineering, Gurgaon** as a student of CSE branch.

Our college has eminent educationists, professionals and a dedicated and experienced faculty to guide and motive the students in academics as well as beyond. Under the guidance of **our HOD Prof. (Dr.) Sri Krishan Yadav**, we learn how to study for better percentage and placement. He always encourages us to participate in various cultural, technical and extra-curricular activities.

Alia Anis
(Roll. No. 17014)

Our College gives us the best in terms of competent staff, good infrastructure and learning opportunities. The skilled Faculty possesses enthusiasm for teaching and shaping career of students. Here, the teachers demonstrate, illustrate, give examples and apply concepts that make learning easy and interesting. Students are provided individualized attention to enhance their ability to acquire knowledge. Our College differentiates itself from others by providing scholarships to the meritorious and financially weak students. I am proud to be a member of Dronacharya Family.

Raman yadav
(Roll. No. 17224)

"Total commitment is not just hard work, it is total involvement."

These words instantly make me relate to my College DCE, Gurgaon. The management, the staff and students are always working towards the common goal to uphold the values and education standard of this esteemed institution with total commitment.

Yogita Verma
(Roll. No. 17949)

At DCE, which has eminent educationists, professionals, dedicated and experienced faculty, the courses are designed in such a way that they will be useful for all ranks of students, beginners, average and advanced. I am honoured to share that our HOD **Prof. (Dr). Sri Krishan Yadav** always guides us to choose the right and apt path.

Arjun Singh
(Roll. No. 17344)
