From Editor's Desk :

"Welcome the Fragrant Future of India!"

Dronacharya College of Engineering is a place of distinction among other Engineering Colleges in NCR & Haryana. The college has always been on high-growth path because of the synergy of the dedicated, enthusiastic faculty members chosen from the ocean of academicians with strong commitment to the service in imparting technical education. It does not merely teach quality, productivity and efficiency but also provides an environment conducive to enhance teaching-learning process.

The session 2009-10 witnessed unprecedented technical up-gradation. The various labs were further re-structured with new equipments to cater the growing needs of the students. In the field of academic achievements; we can boast of **producing many University Rank holders** and have a long list of students exhibiting their academic brilliance **score First-Classes with Distinctions. We prepare our students for 100% placement.**

We, at DCE, lay special attention on all round development of Dronacharyans who are imperative for innovation, incisiveness and technical achievements coupled with judicious leadership, good citizenship and ethical conduct. We are committed to produce world-class technocrats and successful engineers to serve the nation and society. **Success is our tradition.**

Success comes only through persistent and disciplined efforts. There is seldom such a thing as overnight success. I appeal the students to remain single-minded, result-oriented and always open to learning because success literally means burning the

***Mita de apni hasti ko, gar kuchh martaba chahe;
Ki dana khaak me milkar gul-e-gulzar hota hai.***

We hope and pray that **Dronacharyans** will sustain the sanctity of -DCE-a modern Gurukul-on the Technical map of India.

Editor, (Dr. Sunil K. Mishra)

From HOD's Desk :

Dronacharya College of Engineering, Gurgaon has created history and redefined technical education. We take immense pride in contributing our part as the architect of creating technocrats for the world. We conduct National, International conferences, seminars and workshops to equip our students and faculty members with latest technologies and software skills.

We, at DCE, also aim at multi-dimensional development of our students to make them competent on the highest scale. Our efforts to provide quality education including regular interface with the Industry and Rigorous practical applications of syllabi. The Department of Applied Sciences & Humanities has a rich tradition of pursuing academic excellence. Every activity, event and endeavor in the department is carried out with a view to develop professionals who will lead the nation and society towards a better future.

Our enthusiastic, astute and dedicated faculty members motivate, counsel and encourage the students through organizing seminars on technical topics, human values and ethical conduct. The Faculty members provide learner-centric quality education by using innovative learning methodology comprising lectures, tutorials, labs and power point presentations etc. We also conduct **Personality Development Classes** that is an addition to their curriculum.

We hope to soar higher and higher with our deep-rooted conviction in honest hard work, quality education and ability of our Dronacharyans.

I wish a grand success to all aspirants who join us because of our quality, discipline and approach in technical education that really makes a difference.

Head of Department APS (Prof. (Dr.) S. Krishan Yadav

Events :

Faculty Development Programme

The true aim of everyone who aspires to be a teacher should be, not to impart his own opinions but to kindle minds.

Keeping the importance of personal grooming we proactively assist our faculty members in improving their teaching skills and preparing their portfolios. Faculty Development Programmes aim at equipping teachers with skills and knowledge that are essentials for inculcating professional values in them. These programmes help the participants to boost up their confidence and ability to create and deliver lectures.

Teaching is much more than just passing on information-it is sharing of the intellectual and spiritual growth among the students. A well structured training programme that deals with finer aspects of teaching, taking it beyond the confines of the class room.

Orientation Programme

DCE has become a dream destination for the students and parents, willing to avail quality technical education. With plenty of schemes, programs and pumping in huge resources, we have made a bold statement to facilitate world-class education for we believe in outreaching ourselves. Following the tradition, the department of Applied Sciences and Humanities organized the **Orientation Programme on 25th August 2010** for first year students- the **Fragrant Future of India**. This time also the students were addressed by **Our Hon'ble Chairman, Dr. Satish Yadav**, worthy and dynamic **Principal, Prof. (Dr.) B. M.K. Prasad and Prof.(Dr.) Sri Krishan Yadav, Head, Applied Sciences & Humanities**. After these enlightening add resses, the students were shown the campus under the guidance of the class-counselors. They guided the students and informed every thing about the College-infrastructure like Class rooms Library, Labs, Canteen, and Auditorium etc. They were also told the importance of attendance, sessional exams, assignments etc.

Anti-Ragging Campaign

We, at DCE, believe that nothing substantive can be achieved without a true spirit of discipline. Learning is not attained by chance, it must be sought for with ardor; and attended to with diligence. Our academic environment is nurtured on discipline. **Dronacharya College of Engineering** is committed to retain Zero-Tolerance of ragging. We strictly follow the directions of **Hon'ble Supreme Court, UGC, AICTE** and **M. D. University** and take every vigilant step to maintain the Campus ragging-free. We take every care to maintain an ideal discipline and to make it an essential part of our teaching-learning process. The Anti-Ragging Committee was formed under the Chairmanship of **Prof. (Dr.) S. Krishan Yadav, HOD, Applied Sciences & Humanities**. The members of committee informed the parents and students regarding disciplinary actions and punishments of ragging. The staff members and senior students and parents put their signature undertaking their responsibilities and duties to keep DCE absolutely free from Ragging. The faculty members were assigned duties to maintain discipline in Hostels, College gate, College buses, Canteen, Corridors etc. We also displayed important phone numbers, posters etc to make awareness regarding ragging.

NSS

DCE has the privilege of serving the society through NSS programmes. The Government of India patronizes this scheme and it is being executed here with the strong and determined efforts of **Mr. Ashok Kumar, Programme Officer of NSS**. The college fraternity is determined to inspire, motivate and generate awareness among under privileged people of our villages. A large number of students also participate to support our dream- motivating people towards social responsibilities. In future too, we are very much hopeful of such cooperation and participation of volunteers.

Placement

We, at DCE, have a team of active, conscious and vibrant members under Placement Cell. This Cell is really the nerve-centre of DCE that makes frantic endeavors in carving out and crafting the students' career. The objective of this cell is to cater the needs of students for suitable placement to reputed and professionally managed industries, companies etc. The members also guide Dronacharyans for **academic excellence, personality development, positive attitude, good behavior and discipline, etiquettes and manners etc.**

Sports & Events

We firmly believe that education must extend beyond the four walls of classroom and touch the soul deep down, making a student intellectually sound, socially conscious, environmentally aware and emotionally balanced. Our success story is not bejeweled academic achievements, myriad merits in the **M. D. University Examination**, Placement which have often made us proud and parents exalted the activities held at DCE.

To promote all round physical development, we organize various events from time to time. Sports constitute a vital component of our curriculum. Our students participate in various games and activities. The students are encouraged and geared up for the different events. Sportsman spirit and team work are the keywords that derive us towards our goal with grit and determination. Sports is neither just a word, nor an activity; it is a way of life. It allows the students to show their talent beyond academia. It instills in us leadership qualities and bestows on Dronacharyans the characteristics of **Determination, Passion, Teamwork and Brotherhood.**

Student's Viewpoint:

DCE has eminent educationists, professionals and dedicated team of faculty members. It is my right choice to carve up my dreams and ambitions to that level of success where sky is the limit. I am proud to get enrolled in Dronacharya College of Engineering, Gurgaon.

Vinita, ECE - II, Sem - I

DCE has become a turning- point in my career. Evolution, development and vision are the key words in DCE. Here, I find that Innovation is the process of developing a creative idea so that it can be put into practical use. We are happy in the ragging-free and disciplined campus.

Deepak Basora, CSE - I, Sem - I

Our College follows the tradition of Gurukul with Modernity. Here the students are given a wide practical exposure on every subject. I know that the University results are heartening. I really feel proud to be associated with DCE.

Kunal Singh Katoch, ME - I, Sem - I

DCE is the only college that lays special emphasis on all round development of the students. Ragging-free campus makes a zone of comfort for us. Seniors and faculty members are co-operative and always ready to help us. I am happy at DCE that has really become a dream for others.

Ronak Singh, ECE - II, Sem - I

DCE envisages the vision of preparing the students to be well-equipped to take up challenging positions in the industries of National and International repute. I feel proud to be a part of Dronacharya family where the faculty members counsel and motivate us from time to time and always available in finding the solutions to our problems.

Diksha, ECE - I, Sem - I
