

DCE PLACEMENT CELL UPDATE

On Campus Placement for Ericsson

DCE/TPO/ 4710

8 Jan 2008

1. eLitmus is recruiting students for Ericsson.

Other details are as follows:

Batch	:	2008
Eligible Branches	:	ECE
Eligibility Criteria	:	Students already placed
Date of Interview	:	Shall be intimated later on

2. List of eligible students has been forwarded and the same is attached for reference. eLitmus has directed that students whose names are there in the said list, are required to complete on line registration as given below.

Procedure for student registration :

Please go through the steps below or this link <http://www.elitmus.com/quickstart.html>

- Visit www.elitmus.com.
- Click on "sign up".
- Enter their name and email id (this will become their Login id) in this screen.
- They will receive an email with the password for their account.
- Log into eLitmus.com using their login ID and password.
- Complete "My Profile" section. This has two screens. The first screen has personal data and second screen has academic details.
- Under "Experience", they should write the company name from which they have offer. In brackets they should put campus offer. For example Infosys (Campus Offer). From date can be the joining date. To Date can be left as 1 Jan. 1998.
- Then they should go to "Jobs"→"Apply" and apply to the "A Telecom Giant" Job advertisement.

3. All eligible students are required to give back the following information to college latest by **9 Jan 2008 through E mail for onward despatch to the company after compilation.**

- University Registration No.
- Login Id (With which they have logged in on eLitmus website).
