DRONACHARYA
College of Engineering

Khentawas, Farrukh Nagar, Gurgaon-123506(Hr.)

ABOUT GURGAON

Better known as IT city. Gurgaon is located on NH-8 (Delhi-Jaipur Road) at a distance of 25 Kms. south west of Delhi in Haryana State. It is also connected by rail on Delhi-Rewari Railway line. The city is known for its ultra modern infrastructure, vast industry and Sheetla Mata temple. Gurgaon reminds of ancient great guru of Pandvas, Dronacharya ji who had his ashram here.

THE COLLEGE

DCE, established in 1998, is spread over large green land, beautifully landscaped in pollution-free, healthy and eco friendly environment at a distance of 16 Km. from Gurgaon city. DCE offers quality technical education in the field of Electronics & Communication Engineering, Computer Science & Engineering, Mechanical Engg., Information Technology and Bio-Medical Engg.

OBJECTIVE

The primary objective of the seminar is to bring together experts from academic institutions, Industries and Research & Development Organizations. The seminar will facilitate in exchange of views and dissemination of knowledge on topics of current interest in the field of communication. In addition, the seminar will include guest talks of eminent personalities from academia and industries.

SCOPE OF THE SEMINAR (TOPICS)

- Wireless Communication.
- Mobile Communication
- Communication Network
- Optical Communication
- Network Security
 - a) Data protection and retention
 - b) Security application (Firewall, VPN, Gateways, Content filtering, Wi-Fi etc)
- Nanotechnology applications in Communication.
- Software defined Radios.
