National Level Competition for Engineering Students On Developing Innovative Concept Notes On Universal Accessible Design in Built Environment, Accessible Technologies.

Organized By Svayam Foundation
In collaboration with CBR NETWORK

"National Accessible India Campaign" initiated by the Hon'ble Prime Minister Sri Narendra Modi ji highlights the need for innovative ideas to develop designs and technologies relevant to India under "Start Up India' Abhiyan. In this connection, an online National Level competition for engineering students on developing innovative concept notes on Universal Accessible Design in Built Environment Accessible Technologies shall be held by Svayam in cooperation with CBR NETWORK. The top concept notes from each engineering disciple chosen by the panel of experts shall be given awards in a function in Delhi in the 3rd week of April 2017.
