IITB RESEARCH INTERNSHIP AWARDS 2016-17

About The Awards:

IITB Research Internship Award is designed to be an educational and professional research experience. These awards are available for specific research projects. The number of interns will be restricted to the number of projects available. The selected interns are required to work full time for four to six months on the project and will be given a fixed **stipend of Rs. 10,000/-** per month. On-campus accommodation cannot be provided. Candidates will have to arrange for their own accommodation.

Important Dates:

Task	Timeline
Last Date for submission of Application form	31st August, 2016
Dates for Interview	7th - 20th November, 2016
Duration of Internship	Four to six months between December 2016 and June 2017
