TCS launches TESTimony
The TCS Software Testing Contest

Get set, the hunt for **bugs** is on!

Registrations open from
Feb 12, 2016 to June 22, 2016

**Stand a chance to win exciting prizes as well as job offers and internships
with TCS Assurance Services Unit!**

ABOUT:

TCS aim to bring out the best from students and institutes in the growing field of QUALITY ASSURANCE & TESTING SERVICES.TCS Talent Acquisition Team (TAG) in association with Assurance Services Unit (ASU) introduced TESTimony – a TCS Software Assurance Contest across TCS accredited institutes in India. TESTimony provides students a platform to enhance their knowledge in software testing as well as reward them for exhibiting exemplary talent in Automation testing, Performance testing, Test Management, Digital Assurance and other Software Quality related topics.

REGISTER AT:

https://nextstep.tcs.com/campus/

- For registered users on TCS NextStep, please use your credentials to launch CampusCommune. You will need to click on the Testimony contest banner to complete registration and team formation for the contest.
