IEEEXTREME PROGRAMMING COMPETITION 10.0

IEEEXtreme is a global challenge in which teams of IEEE Student members, supported by an IEEE Student Branch, advised and proctored by an IEEE member, compete in a 24-hour time span against each other to solve a set of programming problems.

Applications are now open! Application Deadline 30th June 2016.

IEEEXtreme 10.0 will be held on 22 October 2016.

Apply at:

https://docs.google.com/forms/d/1FzuFbIa1Akk0F7TXBYKLj8wH9k77VePAfrF5S9VjrKA/viewform

Roles & Responsibilities of an Ambassadors:

1. Introduce IEEEXtreme to your Local Section Student Members (Participants) & Professional Members.

2. Identify Student branches that are not aware of IEEEXtreme and enable them to participate in the competition

3. Gather list of professional members who are interested in volunteering for IEEEXtreme as Proctors and connect them with student members who are looking for proctors in order to participate in the competition

4. Host seminars and drive IEEEXtreme programming competition participation in Universities/Colleges; creating general awareness about the competition

5. Supporting non student branch members in finding a local venue to participate in the competition

6. Identify and assist students who require support, guidance or any additional details relevant to IEEEXtreme

7. Enable your section to appreciate the top teams with some special recognition or prizes, if funding is available

8. Organize workshops and training programs at your local section on solving IEEEXtreme Programming Challenges through IEEEXtreme Practice Community.
