

CDC Workshop on Business Ethics & Corporate Governance

*Dronacharya College of Engineering, Gurgaon and **Consultancy Development Centre**, (Autonomous Institution of DSIR, Ministry of Science & Technology, Govt. of India, New Delhi) jointly organized a **workshop on "Business Ethics and Corporate Governance"** on **13th May 2016** under the concept of Knowledge Management Partner Institution (KMPI) which associates Dronacharya College of Engineering and Consultancy Development Centre. The expert speaker for the event was Mr. Rahul Kaushik, TARC (Training And Research Consortium) who covered several aspects of business ethics. The participants in the programme were from the industries, corporate sector and academic sector and it was a good learning experience for them.*
