

Guest Lecture on “How To Crack Group Discussion and Personal Interviews”

*ECS Department of Dronacharya College of Engineering, Gurgaon organized a **guest lecture** on “How to Crack Group Discussion and Personal Interviews” on **01st March 2016** for the **final and pre-final year students**. The expert speaker for the session was **Prof. Nidhi Tak, IBS, Gurgaon**. She guided the students on how to handle Group Discussions and Personal Interviews eloquently. The Lecture was very informative and interactive and was a major learning experience especially for the final year students who are currently on the pursuit of placements*
