One day Pilot Programme on College to Corporate by IIT Bombay

On **26th November, 2016** a one day Pilot Programme on the topic **"College to Corporate"** was organized by IIT Bombay. Students of final year from ECS department along with faculty coordinator **Mrs. Poonam Yadav, Assistant Professor of ECS Department** attended the event. The speaker for the session was **Mr. Ravi Kodukulu (Executive Director & Head, JP Morgan Chase & Co.)**. The aim of the programme was to prepare engineering students to transition from informal campus environment to a formal corporate environment. Program was inaugurated by Prof. Deepak Pathak of IIT Bombay . He welcomed **Mr. Ravi Kodukulu** and his team from **J P Morgan** and inaugurated the session.
