Workshop on Microsoft Azure and Internet of Things

A two day workshop on Microsoft Azure and Internet of Things was conducted by the Microsoft Innovation Centre, Dronacharya College of Engineering, Gurgaon on 15th & 16th March 2016 in the campus. Faculty members from ECS Departments attended the program.

The session was presided over by Mr Suketu Nayak and Mr Shyamal Pandya, trainers from Microsoft. Mr Suketu Nayak introduced faculty to the basics of MS Azure and virtual machines.
