

ONE – DAY VISIT TO ELECTRONICA INDIA EXPO

Students of ECE V sem and VII Sem had attended **ELECTRONICA INDIA AND PHOTONICA INDIA** Expo held at Pragati Maidan in New Delhi on 9 &10 Sep15. It was an informative, interesting and an eye opening event for students as budding engineers. They got an insight into the electronic world running with the most advanced modes of operation.The expo helped them to understand the use of electronics in different fields of manufacturing and production at the industrial level.
