

IEEE CIRCUIT DESIGNING AND WEB DESIGNING COMPETITION

IEEE CIRCUIT DESIGNING AND WEB DESIGNING COMPETITION

25 SEP 14 AT DCE, GURGAON

DCE IEEE student branch organized an event 'Circuit Designing and Web Designing' at Dronacharya College of Engineering Gurgaon on 25 Sep 14 with the goal of imparting creativity among students and to develop new skills and making them aware of the recent technologies. At the same time, special attention is also being given on the organizing, leadership and managerial skills of IEEE student members so as to make them good technocrats of future so as to serve the humanity better. The students from ECE, EEE, ECS, ME participated in circuit designing competition.
