*Advance Training Programme on Smart Grid Technology Organised by India Smart Grid  
Forum On 19th Dec 2014*

*An Advance Training Programme on “Smart Grid Technology” was organized by India Smart Grid Forum on 19th December, 2014 at Jaypee Siddhartha Hotel, New Delhi. Two Faculty Prof. (Mrs.) A N Mahajan, Department of Electronics & Communication Engineering and Mr. K.K.Singh Department of Electronics & Computer Science from Dronacharya College of Engineering, Gurgaon attended the event. More than 70 delegates from different fields participated in this coveted event. The objective of this program was to disseminate the knowledge of “Grid network stabilization solution of Renewable Energy Integration” through case studies, discussion and field visits.*
