

ONE-DAY WORKSHOP ON “MICROSOFT TECHNOLOGY ENRICHED INSTRUCTION”

ONE-DAY WORKSHOP ON “MICROSOFT TECHNOLOGY ENRICHED INSTRUCTION”

Mrs. Dimple Sapru (Associate Professor, ECE) along with Ms. Priyanka Mahani (Assistant Professor, ECS) and Mr. Vijender Hooda (Associate Professor, IT) from Dronacharya College of Engineering, Gurgaon attended a Microsoft Technology Enriched Instruction Workshop conducted by “Microsoft” at GD Goenka University on 17th November 2014. The objectives of the workshop were to provide participants broader awareness and understanding of the technologies and digital resources that can positively impact teaching and learning; familiarity and experience with TPACK and 21st Century Learning Design; and hands-on practice with tools to integrate appropriate pedagogy with technological tools.
