

ICT Workshop-III on "Preparing Students for Job Interviews"

In order to make the students placement ready, a one day workshop on “**Preparing Students for Job Interviews**” was organized at **Dronacharya College of Engineering, Gurgaon** in collaboration with NITTTR Chandigarh on 7th October 2016. A total of fifteen students from Department of Electronics and Communication attended the workshop. Workshop proved to be very fruitful and informative for the student from placement perspective.
