

**LOW POWER EMBEDDED SYSTEMS BY PROF. M.
BALAKRISHNAN FROM IIT DELHI ON 11, 22 & 29 MAR 16**

Guest lecture on "**LOW POWER EMBEDDED SYSTEMS** " was conducted at Dronacharya College of Engineering, Gurgaon on 11, 22 & 29 March 2016. The eminent speaker was Prof. M. Balakrishnan from IIT Delhi. 40 students from VI semester ECE Department, along with one faculty coordinator, Mr. Ashish Gambhir, Assistant Professor of ECE Department attended the Guest lecture. The topic of low power embedded systems deals with power constraints which are seen in all the mobile devices.

Mr. Vinay addressing the Students
