

One day Pilot Programme on College to Corporate by IIT Bombay

On 26th November, 2016 a one day Pilot Programme on the topic “College to Corporate” was organized by IIT Bombay. Students of final year from ECE department attended the event. The speaker for the session was Mr. Ravi Kodukulu (Executive Director & Head, JP Morgan Chase & Co.). The aim of the programme was to prepare engineering students to transition from informal campus environment to a formal corporate environment. Program was inaugurated by Prof. Deepak Pathak of IIT Bombay. He welcomed Mr. Ravi Kodukulu and his team from J P Morgan and inaugurated the session.
