

## SUMMER SCHOOL ON "ADVANCED VLSI DESIGN" FROM 27 JUNE TO 16 JULY 16

Ms. Seema (Assistant Prof., ECE), along with Ms. Reva Nagi (Assistant Prof., ECE) conducted Summer School on “ Advanced VLSI Design” from 27 June to 16 July 16 in the college campus. 12 students of ECE Department have actively participated in the School.

The objective of the Summer School was to groom and empower students to make them self sufficient in the field of VLSI Design by giving them real time hands-on experience on Dsch, Microwind tool and XILINX tool. The School was organized in collaboration with **EFY Hobby club** and **IETE, New Delhi**.
