

TRAINING PROGRAMME ON IT CONSULTING AT CONSULTANCY DEVELOPMENT CENTER, NEW DELHI

A two day Training Programme on 'IT Consulting' was organized by Consultancy Development Centre, New Delhi from 11th -12th November, 2016 at India Habitat Centre, New Delhi. Mrs. Sanghamitra Arora (Associate Professor, ECE) from Dronacharya College of Engineering, Gurgaon attended the program. The program was organized to provide a platform for training on how consultancy works, what are the different stages, what tools and techniques can be used and also how to prepare consultancy proposals and reports. IT companies are continually developing new products to help streamline work and achieve better results.
