

INDUSTRIAL VISIT TO TERI - THE ENERGY AND RESOURCES
INSTITUTE ON 29 FEB 16

An Industrial visit to TERI - The Energy and Resources Institute at Gurgaon was organized by IEEE student Chapter of Dronacharya College of Engineering, Gurgaon for students of ECS, IT, CSIT, CSE, EEE, & ECE Departments on 29 February 2016. The purpose of this visit was to understand the mechanism of various projects regarding renewable energy. The aim of the trip was to generate some more innovative ideas among our young brains to accept upcoming challenges and to save the Environment. The visit to TERI was highly educative as the students learnt different approaches to create innovative solutions for a sustainable future.
