PROJECTS

“FARIDABAD INDUSTRIES ASSOCIATION -2016”

Chandan Kumar, student of ECE VIII sem won first prize in FIA to showcase his novel idea with Project titled: Self Sustainable Hybrid Model for Rural Electrification on 23 April 16.

INNOVISION'16

Deepak Kumar (15160) student of ECE IV Semester got 3rd Prize in " National Level Project competition INNOVISION 2016 (SCIENE EXPO)" held at *NETAJI SUBHASH INSTITUTE OF TECHNOLOGY (NSIT)* on 10th March 2016.

Ultra GolfKart Championship

Tarun Thasu (17239) and Sachin Vats (17231) students of ECE IV Semester got 1st position in Endurance round and overall 2nd position in National Level Project Competition "Ultra GolfKart Championship" held at M.M. University, Mullana on 3rd-5th March 2016. The students has been awarded with Trophies and cash prize of Rs. 55000/- (Rs. 35,000/- for overall second position and Rs. 20,000 for 1st position in Endurance round).

Student Project Exhibition on Engineering Design (SPEED) 2016

Vijit Mangla (15241) & Parshant Sharma (15202) student of ECE VIII semester won the 'Best Project Award' for their project "RF based Smart Helmet" at Student Project Exhibition on Engineering Design (SPEED) 2016 held at G.D. Goenka University on 19 February 2016.

NATIONAL PROJECT COMPETITION (DRONSPARK - 15)

Vijit Mangla(15241) & Parshant Sharma(15202) student of ECE VIII semester won 3rd prize in National Project Competition (DRONSPARK-15) held at Dronacharya College of Engineering on 15th - 16th October 2015. The students has been awarded with a cash priz of Rs. 11000/-.
