WORKSHOP ON INTERNET OF THINGS (IOT) BY MVP

A workshop was organized by **Microsoft Most Valuable Professional (MVP), on 29th January 2016 in Janakpuri, New Delhi on IoT (Internet of Things)** for windows 10 on Raspberry Pi 2. Two students of IT Department attended the workshop and has won Raspberry Pi 2 in the competition. This workshop aims at **providing a forum for researchers in academia and industry** to present early research outcomes that present an added value to the state of the art of IoT; with a particular focus on networking and applications issues.
