

Department of Computer Science and Engineering
Details of International Papers Presented by the Faculty Members

Sr. No.	Name of Faculty	Title of Paper	Conference Details
1	Neha Malik	Software Reuse-Application through Software Component	IEEE International Conference on advanced computing and communication technologies (ICACCT-2011) ,2011
		Comparison of QTP and FTP Automation Software Testing tools	International Conference on issues and challenges in Networking (ICNICT-2011) ,2011
		Software Component Repositories-A new Classification Approach	International Conference on Science and Engineering (ICSE11), 2011
		Hippocratic database for e-banking	International Conference on Emerging trends in Computer Science and IT(ETCSIT-13), 2013
2	Tanupriya Choudhary	WSN Clustering Protocol	ICDATPM-2014
3	Amar Saraswat	Simulation of Endpoint based Call Admission Control using Retransmission Timer	The International Conference on Computational Intelligence and Communication Networks (CICN 2013),
		Relationships And Collaboration Between Software Product Management And Software Project Management	International Conference on Emerging Trends in Science And Cutting Edge Technology (ICETSCET), September 28th, 2014.
		Securing IPv4 to IPv6 Transition	International Conference "Confluence 2012, The Next Generation Information Technology Summit, powered by International Journal Of Computer Applications", 27-28 September, 2012, ASET, Amity University, Noida.
		Enhancing Quality Using Agile Methodologies	International Conference "Confluence 2012, The Next Generation Information Technology Summit, powered by International Journal Of Computer Applications", 27-28 September, 2012, ASET, Amity University, Noida.
4	Sarita	Automated Generation of Activity and Sequence Diagrams from Natural Language Requirements	ENASE - 9th International Conference on Evaluation of Novel Software Approaches to Software Engineering, Portugal 2014, Paper is available at http://www.scitepress.org/DigitalLibrary/Index/Event/00096700017406
		Fuzzy Logic Reasoning to control robot on predefined path	International conference sponsored by CSIR Proceedings ETCSIT-2013, ISSN No: 9789380703459, 18th April 2013.

5	Renu	A Study on different Types of Web Mining	4th International conference on Emerging Trends in Engineering & Technology, October 25th-27th,2013
		Relationships And Collaboration Between Software Product Management And Software Project Management	International Conference on Emerging Trends in Science And Cutting Edge Technology(ICETSCET), September 28th, 2014
		Relationships And Collaboration Between Software Product Management And Software Project Management	International Conference on Emerging Trends in Science And Cutting Edge Technology(ICETSCET), 2014
6	Pankti Brar	Comparitive Analysis of Different Modes of Operation For Zigbee MAC With Variation In Network Size And Traffic	International conference on Electronics, Communication and computational engineering(ICECCE/2014
		Implementation of Canny Edge detection using Open CV	Recent trends in Engineering Technology & Management for sustainable development" (RTETMSD-2013)
7	Kshitija Pol	Novel Approach for Fast Face Recognition using Adjacent Pixel & Quantization Histogram Method	ICWET 2011,Thakur College of Engineering & Technology, Kandivali, Mumbai 25-26 Feb 2011
		An overview of fast & efficient method for Biomedical Image Steganography	ICWET 2010,Thakur College of Engineering & Technology, Kandivali, Mumbai 26-27 Feb 2010
		Autonomous Lightweight Agents for Intrusion Detection in Distributed Systems	International Conference on EMERGING TRENDS IN COMPUTER SCIENCE, COMMUNICATION AND INFORMATION TECHNOLOGY, Yashwant Mahavidyalaya, Nanded, 09-11 Jan 2010
		Analysis of Distributed Intrusion Detection using Mobile Agents	International Conference on EMERGING TRENDS IN COMPUTER SCIENCE, COMMUNICATION AND INFORMATION TECHNOLOGY, Yashwant Mahavidyalaya, Nanded, 09-11 Jan 2010
		A Survey on Web Content Mining & extraction of Structured & Semi structured data	ICETET-08, Rasoni College of Engineering, Nagpur(M.S.) 18 July 2008
		Mobile Agents for Distributed Intrusion Detection Systems	ICEVD, Padmashri Dr. Vikhe Patil College of Engineering,Ahmednagar,20-21 Mar 2008
