

## 8th National Research Methodology Workshop for Computer Science

Workshop on “Research Methodology” from 27th to 30th August 2016 was organized at Prestige Group of Institution, Gwalior. Ms. Sarita, Assistant Professor, along with two students Mohit Yadav (17085) and Shubham Kumar (17139) from Department of Computer Science & Engineering attended the workshop. Participants were divided into two teams and were supposed to write a research paper in accordance to the tips and details provided to them and had to finally present it successfully before Dr. Saurabh Mukherjee (Eminent Speaker). It was a great learning experience for students as well as research scholars.
