

ENTREPRENEURSHIP EMPOWERMENT PROGRAMME

An Entrepreneurship Empowerment Programme was conducted on 21 August 2014 in association with National Institute for Entrepreneurship & Small Business Development (NIESBUD), Noida. The workshop focused on how the Government of INDIA provides support to budding entrepreneurs, what all kinds of subsidies are extended by MSME to aspiring industries and what all kind of industries are in need of innovation and creation.

Mr. A Din Pangotra discussing various schemes provided by Govt. of India
