

Entrepreneurship Awareness Camp (EAC): 02

*Entrepreneurship Development Cell of Dronacharya College of Engineering, Gurgaon believes in reassuring the visions of our students who dream big and promise to strive for their dreams. The E-cell continuously makes efforts to launch programs to boost the morale of the students and give them platforms from where they can kick start their ventures. **Entrepreneurship Awareness Camp** powered by **Entrepreneurship Development Institute, Ahmedabad** under DST-NIMAT scheme, was organized at Dronacharya College of Engineering, Gurgaon from **14-16 September, 2016**. The complete three day program was so motivating for E-leaders that it set a fire inside them to channelize their energy in a way to achieve their dreams. They hosted all the events with great enthusiasm and the learning that they obtained from this was incomparable.*
