

Entrepreneurship Educator Program by NEN

To provide in-depth knowledge of entrepreneurship through its basic concepts and knowledge such as Idea Generation, Opportunity Evaluation, Business Model and Business Plan, a three day Faculty Development Program on Entrepreneurship Educator Program was organized from 13th to 15th July 2016 at JIMS, New Delhi. Ms. Ashu Khurana, Assistant Professor, Department of Computer Science and Engineering attended the Faculty Development Program. Overall the Entrepreneurs Educator Program was very beneficial for all participants since faculties who are guiding students to take up Entrepreneurship are not equipped with latest market trends.
