

Guest Lecture on "Adopting New Technologies"

*To discuss the demand of new technology in market and keep pace with it, CSI Student Branch DCE, Gurgaon in collaboration with NIIT organized a guest lecture on **7th September 2016** at **Dronacharya College of Engineering, Gurgaon**. 120 students of Seventh and Fifth Semester of **Computer Science & Engineering Department** attended the guest lecture. The key speaker of the session was **Mr. Brighu, Software Specialist from NIIT Limited**. After the inaugural ceremony, Mr. Brighu discussed about "Technology Disruption", which was about the recent technologies that brought an exceptional changes in the techno world. It was a great experience for students as Mr. Brighu explained in detail about new technologies.*
