

IAARHIES Conference

27th International Conference was held on 14th – 15th September 2016 at New Delhi by IAARHIES governed by the society for academic research. Sheetal Rana (16146) student of CSE Department attended the Conference. The IAARHIES (The International Academic Association of Researchers in Humanities, IT, Engineering & Science) is an international non-profit forum. The students connected with researchers and explored opportunities within and beyond their areas of specific research interest through discussion sessions and a variety of other events.

CSE student, Sheetal Rana at the venue.

Professor Dr Rajiv K.Srivastava presented his paper on the topic Alternative configuration and extensions of cellular manufacturing.
