

IEEE Delhi Section Student Congress 2016

IEEE Delhi Section organized "**Delhi Section Congress 2016**" at Delhi Technological University, New Delhi on 1st September 2016. **Aditya Goswami (16007) student of Computer Science & Engineering Department** attended the congress. The chief guest of the event, was **Prof. Subrata Mukhopadhyay, Chair, IPSC Asian and Australasian Infrastructure WG of IEEE PES**. DSC'16 was indeed a bag of opportunities for the participants as along with illuminative sessions, there were experiences and wonderful memories to take back. IEEE Delhi Section envisions taking the event, a level further with its efforts and dedication in the coming sessions.
