

**IEEE Technical Lecture on "Applications of metaheuristic techniques for improving the performance of Neural Network"**

IEEE Delhi Section organized a technical lecture on "Applications of metaheuristic techniques for improving the performance of Neural Network" by Mr. Sebastian Basterrech at IIT Delhi on 2<sup>nd</sup> August 2016. Yash Kumar Rathor (16178), Rajat Kumar (17113), Jyotika (17061), students of Computer Science & Engineering, Department attended the lecture. It was a great experience for the participants as Dr. Sebastian Basterrech explained in detail about various advantages and challenges of Neural network.

CSE Student Jyotika (17061) at IIT, Delhi

CSE Student Rajat Kumar (17113) at IIT, Delhi
