

Industrial Visit to NETWORK BULLS by DCE CSI Student Chapter

On 14 September 2016, Mrs. Kshitija Pol (Associate Professor, CSE Dept.) along with 47 students from CSE Departments visited the NETWORK BULLS, Gurgaon. The visit was organized with the aim of providing the students a brief understanding of Networking Fundamentals & Equipment. It was very educative experience for the students as they learnt basic of Computer Networks, IP addressing, OSI reference model & type of Network. The visit was extremely useful for the students as they could physically saw devices the Router & switch.
