

JOOMLA WORKSHOP

One day workshop on JOOMLA by TOFL Technologies Ltd. Gurgaon was organized on 15 September 2014. A team from Freelancers was there to present the workshop. The speaker familiarized students with Joomla and taught about various aspects of it. The workshop was very much valuable to the students as they learnt various new things. The speaker erudite the functioning of Joomla and more prominently, how they can make it as a source of revenue at college level.
