

## **National Conference on Research in Emerging Areas** **“NACORE16”**

*Amal Jyothi College of Engineering (AJCE), Kanjirappally (Kerala) organized a **National Conference on Research in Emerging Areas (NACORE-16)** through A-View from 28-30 January 2016 in association with ISTE Kerala chapter. The conference was meant to provide a forum for scientists, scholars, engineers, academicians, researchers and students from the universities and the industry across the country, to present ongoing research activities, and to foster research relations between the universities and the industry. The conference provided opportunities for the delegates to exchange new ideas and application experiences face-to-face on the various aspects of Cyber Security and other themes of conference and to discuss the practical challenges encountered and the solutions adopted.*
