

Principals/ Directors Meet for STTP 2015-16 at NITTTR Chandigarh

National Institute of Technical Teachers Training and Research (NITTTR), Chandigarh works for quality education in technical institutions of the country. It takes the responsibility of faculty development through training and re-training of the faculties of Technical Institutions all over the country. In order to make faculty development more effective and demand-driven, a meeting on proposal of Short Term Training Programmes 2015-16 for Engineering Colleges was conducted on 22nd December 2014. Prof. Vishal Bharti, Head of Department, Computer Science & Engineering represented Dronacharya College of Engineering, Gurgaon.
