

## **QEEE Sessions on Object Oriented Design using UML**

*Students of Department of Computer Science and Engineering of Dronacharya College of Engineering, Gurgaon attended a QEEE session on "Object Oriented Design using UML" dated 12<sup>th</sup>, 15<sup>th</sup> & 19<sup>th</sup> February 2015 at the QEEE Lab. A total of 120 students attended the session. The session was very useful as students came to know various concepts of models of object oriented software development.*
