

Regional Facilitation Workshop [North] by EDI Ahmedabad

To facilitate various institutions and organization for quality implementation of program and to guide them for documentation Entrepreneurship Development Institute (EDI) of India, Ahmedabad organized a DST-NIMAT Project-Facilitation workshop on 16th November, 2016 at TBI-KIET, Ghaziabad. **Ms. Ashu Khurana, Assistant Professor of Computer Science and Engineering Department** attended the workshop. The Program was very beneficial for all as all the information relevant to documentation and implementation of DST-NIMAT Project was given. The Program also provided information that how we can take the financials benefits from the government scheme for our startups.

Ms. Ashu Khurana with Shri Prakash Solanki
