

Session on Social ventures and Global opportunities at BIMTECH

*A session on Social ventures and Global opportunities was conducted by Birla Institute of Management and Technology, Noida on 21 October 2016. Three Students of CSE Department attended the session. The distinguished guest was **Ms Belinda Bell from Judge Business School, Cambridge University, UK** who talked about Social ventures and Global Opportunities. Belinda Bell runs Cambridge Social Ventures, a specialist programme supporting ambitious social ventures to scale. The overall session was very educative and informative for the students and opened up new visions for them.*
