

Technical Talk on Cyber Security and Role Of CSI

Computer Society of India (CSI), Delhi chapter organized a Technical Lecture and on Cyber Security-A tool against hacking on 25th August 2016 at Ambedkar Institute of Technology, New Delhi. Three Students, **Saurabh Kumar (17129), Lokesh Pandey (17074), Nishant(17096)** from Department of Computer Science & Engineering attended the technical talk. The chief guest of the event was **Prof. M.P. Goel Executive Director, CSI, Delhi**, and was presided over by **Dr. Amita Dev, Director and Principal, Ambedkar Institute of Technology, New Delhi**. It was a great experience for students as Mr. Nair explained in detail about each and every concept of Cyber Security along with its key research areas.

Dr. Amita Dev, Director and Principal, AIT, New Delhi during the Inaugration Ceremony.
