

Third International Conference on Transformations in Engineering Education
(ICTIEE 2016) Pune

*Third International Conference on Transformations in Engineering Education (ICTIEE) by IUCEE (Indo-Universal Collaboration for Engineering Education) organized a two day workshop on Outcome based Education on 9th and 10th January 2016 at College of Engineering, Pune. The Conference was attended by **Ms. Reva Nagi**, Assistant Professor, CSE Department of Dronacharya College of Engineering, Gurgaon. It aimed to bring Engineering educators from across the world to share best practices for preparing Engineering graduates who will be leaders in addressing global challenges. In a world driven by innovations in Engineering for promoting prosperity of mankind, augmenting human resource capital through quality engineering education is vital.*

The inaugural session of the "Third International Conference on Transformations in Engineering Education".
