

## **World Biofuel Day “Energy Security for India-Creating a Biofuel Economy”**

*On the occasion of World Biofuel Day, A National Conference on ‘Energy Security for India – Creating a Bio-fuel Economy’ was organized in New Delhi on 10<sup>th</sup> August 2016. **Aarshi Talwar (16182)** student from **Department of Computer Science & Engineering** attended the conference. Several policy interventions and clearing of many hurdles in implementation of National blending targets have been under taken by Government of India. The conference was very informative.*
